IFSC rules will apply to the championship: [https://www.ifsc-climbing.org/index.php/world-competition/event-regulation](https://www.ifsc-climbing.org/index.php/world-competition/event-regulation)

The competition is open to school teams, selected teams and shared team.

It is a Combined of lead, bouldering and speed (record track) with individual ranking and team ranking.

There are 2 possible proposals (+ shared teams) depending on the number of teams involved:

**First Proposal**

  - The 4 climbers pass in all sectors.
  - In each sector, a girl lane and a boy lane are open.
**Qualification:** Ranking by adding the points obtained by all the climbers of the team in each sector.

**EXAMPLE:**
The scoring for lead is outlined by art. 6.4 of the IFSC rules.
The scoring for bouldering is outlined by art. 7.4 of the IFSC rules.
For the speed competition, the fastest climber scores the maximum of points awarded to the sector; the score of the following climbers will decrease based on their climbing time.
In the end, the points calculation could look like this:

<table>
<thead>
<tr>
<th>Qualification</th>

</tr>
</thead>
<tbody>
<tr>

The individual ranking will be done at the end of the 2 days of qualification.
Second Proposal

50 to 75 teams
12 sectors: 7 lead; 4 bouldering; 1 speed over 3 days
