Morning Meeting

Yesterday morning started with the meeting of delegates of all participating countries. They learned about the detailed plan of the race, which will take place on Sunday, 24.4.2022. The meeting started with all countries receiving a starting package with interesting

facts about Slovakia. Then the organizers of this event gave them an overview of the plan for the following days with the help of a pre-prepared presentation. The presentation also included the starting order of countries, which you can find in the back of the magazine or on the information board in the hotel lobby.

Dance With Us

An opening ceremony was held for all participating countries on Saturday afternoon. We started the opening with a ceremonial start, during which athletes from different parts of the world presented themselves. This was followed by speeches by the mayor of Štrba - Michal Sýkora, technical delegate - Nihat Doker, president of the Slovak Association of School Sports - Eva Murková.

All of the above said a few words about Slovakia, the natural conditions in the end wished all athletes good luck and success. The highlight of the evening were Slovak musicians playing on Slovak national instrument **fujara**. The final act of the ceremony was the Batida Drum Show, which made the whole audience dance in a few minutes.
