TECHNICAL RULES AND REGULATIONS

RANKING SYSTEM AFTER GROUP PHASE

Teams are ranked by adding the points gained.

- Points after all matches of group phase;
- Result of game between the two equal teams;

If, after the group matches, two or more teams have gained the same number of points, the following ranking system is used:

- points in matches between the teams concerned;
- goal difference in matches between the teams concerned;
- number of plus goals in matches between the teams concerned;

If the result is still a tie, the following system is used to decide between the teams concerned, unless the undecided ranking is as last in the group:

- goal difference is subtracted in all matches;
- number of plus goals in all matches;

If the result is still a tie, a draw must decide the ranking. The ISF will make the draw, if possible, in the presence of the persons in charge of the teams concerned.

SHOOT OUT

- If 7-metre throwing is used as a tie-breaker, players who are not suspended or disqualified at the end of the playing time are entitled to participate. Each team nominates 5 players. These players make one throw each, alternating with the players of the other team. The teams are not required to predetermine the sequence of their throwers. Goalkeepers may be freely chosen and substituted among the players eligible to participate. Players may participate in the 7-metre throwing as both throwers and goalkeepers.
- The referees decide which goal is used. The referees make a coin toss, and the winning team chooses whether they wish to throw first or last. The opposite sequence is used for all subsequent throws, if the throwing has to continue because the score is still tied after the first five throws each.
- For such a continuation, each team shall again nominate five players. All or some of them may be the same as in the first round. This method of nominating five players at a time continues as long as it is necessary. However, the winner is now decided as soon as there is a goal difference after both teams have had the same number of throws.
- Players may be disqualified from further participation in the 7-metre throwing in cases of significant or repeated unsportsmanlike conduct. If this concerns a player who has just been nominated in a group of five throwers, the team must nominate another thrower.
