This is the first time that ISF has appointed such a big number of sports experts. It reflects the expansion of the ISF sports vision of basketball as a tool to promote inclusivity and empower the youth."

Partnership of ISF with UWW is very important. First of all, the sport of wrestling is already very present in Physical Education program and school sport. We will continue to develop wrestling in our events. Secondly, our cooperation with UWW is also very important for our event programs and at schools all over the world. ISF and FIBA have a common support of FIBA's expertise that is invaluable for developing basketball both at ISF sports on ISF programs, especially an attractive format of 3X3. We appreciate ISF President Laurent Petrynka said, "Basketball has always been one of key sports for us. We are very pleased to cooperate with FIBA and work on the development of basketball 3X3 in ISF programs."

Mamadou Souleyman Kone has 38 years of experience in sport. He is a Physical Education teacher back in his home country specializing in volleyball training. He is also School and University Sport Head Manager in the regional administration. He commented, "I feel very proud and confident about my new position of Africa's Continental President. There is huge work to do to implement ISF vision. I feel enthusiasm of others, therefore, I believe I can succeed to implement ISF vision in my continent."

On March, 2 ISF President Laurent Petrynka met with United World Wrestling (UWW) President Nenad Lalovic in UWW Headquarters in Lausanne, Switzerland March, 9. Following the meeting, the two officials signed a memorandum of understanding on future cooperation between the two organizations. In addition, the meeting continued with the election of the former President Morocco's Youssef Belqasmi as ISF Vice President. Following that, the former President of Benin Mamadou Souleyman Kone was elected as the next ISF Africa Continental President following the election of the former President Morocco's Youssef Belqasmi as ISF Vice President.
